Dear Ms. Kurz and Staff:

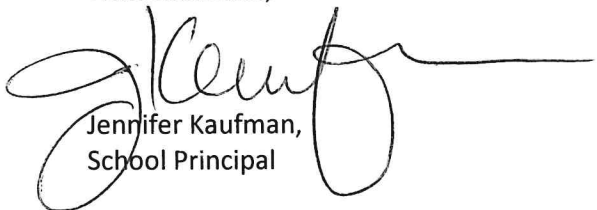

Thank you for your continued participation in our school's Halloween Parade and celebration! You always go over and beyond to accommodate our students. Despite the weather, our students had an amazing time. We certainly enjoyed welcoming you and stationing your group in the front office where we displayed all the boxes of goodies that you delivered earlier in the week. It was also a delight to give you a tour of our facility to better explain what we are all about.

The administration, staff, and students are so gracious for your generosity! Supporters like you help make our Kohler School program successful. Your donations of treats were enjoyed by the students and they were excited to bring some of these Halloween goodies home with them!

We want to thank you for being active members of our community as well. Please visit our website at [www.arckohlerschool.org](http://www.arckohlerschool.org) to access up-to-date information about us, read our newsletters, and get invites to our special events. This information can also be found by 'liking' our Facebook page!

Again, thank you for all you do for our students and school community.

With Gratitude,

Jennifer Kaufman,  
School Principal
